EMG swears by the philosophy of delivering great value and a better experience to its clients every single time. We simply believe in getting it right and getting it right the first time.

About Us

Event Management Group- EMG is the brainchild of Shashi Prakash. With a career spanning over a decade and having managed over 1000 shows, he can vouch for the fact that no single event is like the other and no day is like the other. Fun as it sounds; it also means that life here has no room for retakes. Spanning an illustrious career in Top notch Event Management Companies, Fashion Houses, Technical Reinforcement Companies, his list of satisfied clients is almost endless. His contributions to timeline management techniques in touring concerts are still talked about. If he is known for anything, it is the value he delivers to his clients every single time. After 12 years and 1000 events, we can tell you that there is no second chance in the Event Management Industry. The opportunity to satisfy your creative rush comes at a severe price. Success does not happen by chance, it is by design and management matters for sure.
