## About Us

We, at **Enablers & Enhancers**, are passionate about driving operational excellence in organizations by encouraging, motivating and educating employees using our Visual Display Products and Distance-Learning Educational Programs. Our designer products and educational products have been highly appreciated by companies (small enterprises as well as large multi-national corporations) all over the world. We can confidently claim that we are the pioneers of this industry and that our services and products meet the highest international standards.

**'Enablers and Enhancers'** (E&E) is a subsidiary of the consulting organization 'Quality Professionals Group' (QPG). QPG is India's leading training and consulting organization engaged in guiding and helping companies in the achievement of Operational Excellence through quality management techniques like 5S, Kaizen, Lean, Quality Improvements, Business Excellence Award Criteria & ISO Standards on Quality, Environment, Health and Safety, Employee Welfare & Energy Management, etc. You can check out QPG at [www.qpg.co.in](http://www.qpg.co.in)

### BRIEF HISTORY

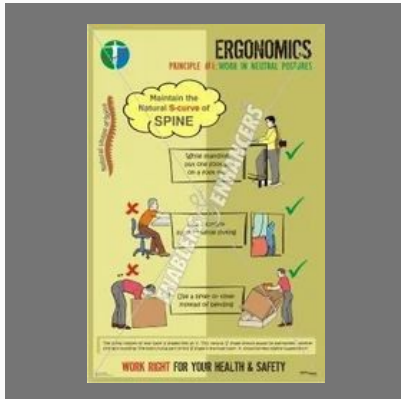

As the Leading Consultant at Quality Professionals Group, Avinit Singh (the CEO of QPG) felt that most of the Industries did not meet the adequate Quality and Safety standards. After interacting with thousands of employees across various industries in Asia, he felt that employees in these industries were generally unmotivated, discouraged...
