

Enermax Systems

<https://www.indiamart.com/enermaxsystems/>

We are a noteworthy manufacturer and supplier of a highly efficient range of **Switched Mode Power Supply, Battery Chargers, LED Drivers, etc.** These products are widely acknowledged for features like high illumination and longer service life.

About Us

Established in the year **2006**, we “**Enermax Systems**” are located at **Nashik (Maharashtra, India)**. We are constantly focusing towards alleviating the world's most pressing environmental challenges by developing green lighting solutions, Power Electronics & Solar Products that reduce operating costs, improve productivity & save money. Enermax is leading the way into a new era of environment and human friendly LED Lighting thereby helping to shape the future of lighting technology & Innovation in Power Electronics and Solar Products. In our range of products, we have **Switched Mode Power Supply, Battery Chargers, LED Drivers, Solar Water Heaters, Solar Charge Controllers, Solar Power Packs, LED Lights, UPS Inverters**, etc. Situated at **Nashik (Maharashtra, India)**, we are supported by state-of-the-art infrastructural base in order to manufacture the offered array of products. Further, the infrastructural base is segregated into various divisions such as procurement, production, quality testing, R&D, sales & marketing, warehousing & packaging, etc.

By maintaining a strict approach towards quality, we assure our clients that products offered by us are designed and manufactured utilizing high grade components and innovative technology. The production process takes place under the supervision of quality controllers at our advanced production division. Our range of lighting solutions is widely...

SMPS BATTERY CHARGER

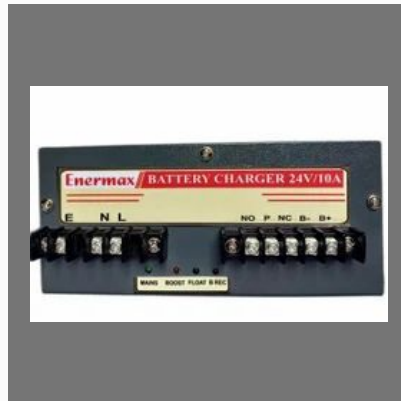

1.7 Ah Battery Sprayer
Charger

Smps Based Battery Charger

24V/10A Battery Charger For
DG Set

Diesel Generator Battery
Charger 24 Volt Dc 10A

E BIKE BATTERY CHARGER

E- Bike Battery Charger

E- Bike Battery Charger -
48V/5A

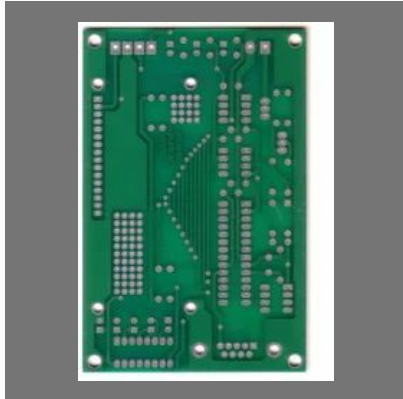

E- Bike Battery Charger -
60V/5A

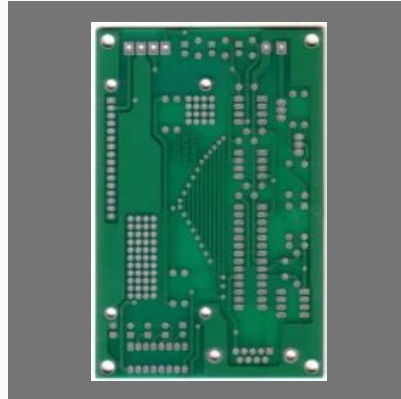

E- Bike Battery Charger -
60V/3A

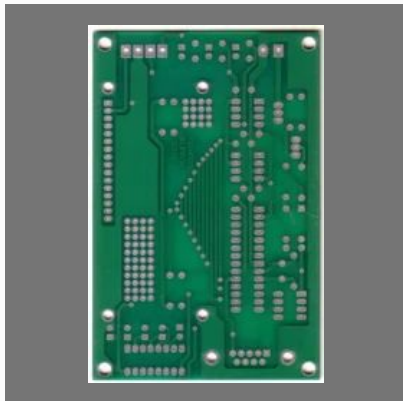

PRINTED CIRCUIT BOARD

Double Sided Non-PTH

Double Sided Printed Circuit Board (PTH)

Double Sided PCB

Aluminium Based PCB

BATTERY CHARGER

Automatic Battery Charger

Smpls Battery Charger 12v
10amp

Battery Charger 24v 20 Amp

Industrial Battery Charger

SWITCHED MODE POWER SUPPLY

Switch Mode Power Supply (SMPS)

Switched Mode Power Supply

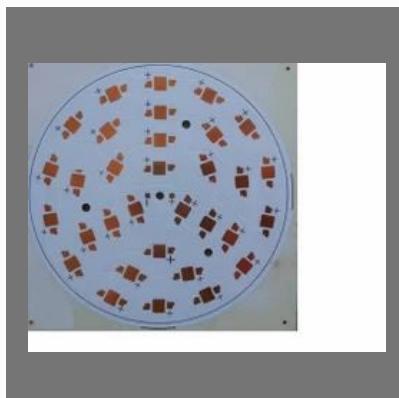

Switch Mode Power Supply (smps)

OTHER PRODUCTS:

12 Volt Dc 10A Diesel
Generator Battery Charger

Aluminium Based PCB mc pcb

Sealed Lead-Acid Battery
Charger

Off Grid Solar System With
Battery Back Up System

OTHER PRODUCTS:

On Grid Solar Power System

E- Rickshaw Battery Charger -
48V/12A

E- Rickshaw Battery Charger -
48V/15A

Solar Powered Pump

Factsheet

Year of Establishment : 2005

Nature of Business : Exporter and Manufacturer

Total Number of Employees : 26 to 50 People
