Epe Process Filters And Accumulators Pvt. Ltd.

<https://www.indiamart.com/epeprocess-filters-accumulators/>

We are a ISO 9001:2008 certified organization engaged in manufacturing Accumulators and Filters, Filter Skids etc.

About Us

EPE Process Filters & Accumulators Pvt. Ltd., was established in 1992, for manufacture of Hydraulic & Process Filters and Hydro - Pneumatic Accumulators in India.

EPE - an ISO 9001:2008 accredited Company, produces World class Hydro- Pneumatic Accumulators (in Bladder, Diaphragm & Piston types), Hydraulic & Process Filters and Filter Elements which are being supplied to almost every major company in a wide spectrum of Industries.

EPE is the proud recipient of various prestigious awards including **National Award-2006 for Best Entrepreneur & National Award-2006 for Research & Development Efforts in Small Scale Industries** instituted by the Ministry of Small & Medium Enterprises, Govt. of India and Best Vendor Award from Bharat Heavy Electrical Ltd (BHEL).

EPE's prime driving force behind success has been it's motto of striving hard to understand the industrial needs, be it the corporate bigwigs or flourishing small scale units.

EPE has proved its mettle in various segments of the Market including Defence, Power, Fertilizers, Petrochemicals, Refineries, Thermal, Steel, Cement, Railways, OEMs and many others.
