We undertake turnkey projects for interiors of any occupancy like offices, Hotels, restaurants, retails, showrooms and residence.

Why Turnkey Projects ?

We take leadership and total responsibility for the complete execution of the project. It ensures two most important things, Quality Control and Time-Bound Completion. A lot of work goes into managing the project from it's conception on the drawing board, to providing the final finishing touches. This includes making timely decisions and interweaving the creative process with the execution. It also involves extensive co-ordination with various agencies, consultants and contractors and working on a disciplined schedule. With our firm as a single point of interface, you will never have a situation where delays are caused and excuses are made, attempting to blame others in the process. You will also...
