Essar Enterprises

<https://www.indiamart.com/essarenterprises/>

Essar Enterprises is a highly esteemed company and indulged in manufacturing and supplying of wide array of **Clothes** includes **Kids Jackets, Mens Jackets, Women Jackets, Mens Rainwears** and many more.

About Us

Incepted in the year **1997**, **Essar Enterprises** is a foremost business entity affianced in bringing forth for our patrons a wide quantity of **Clothes**. We are manufacturer and supplier of **Kids Jackets, Mens Jackets, Women Jackets, Mens Rainwears** and many more. Fabricated in harmony with the universally recognized standards of supremacy and flawlessness, these could be improved as per the precise desires of our patrons. Using immaculate grade basic material and contemporary techniques of fabrication, these products are fabricated beneath the leadership of industry professionals. Known for their usage in dissimilar industrial sector, these products could be obtained from us on time. We are supported by an innovative infrastructure facility that is well-appointed with all the contemporary technology and tools that allows our skillful team members to fabricate our whole range at a very fast production rate. Moreover, we have isolated our facility into numerous units such as fabrication, warehousing & packaging, quality testing and research & development. All these divisions are managed by highly well-informed executives and managers who have huge industry knowledge and understanding. Our mentor **Mr. Sunil Daga**, has been our guiding force which have made our company to stand amongst our strong competitors. It is due to his proficiency and motivational approach that we have gained us a large clientele base all over the nation.
