About Us

Essen Exports was established in the year 2001. We are manufacturer, exporter, importer and Supplier of Pulses, Spices, Dry Fruits etc. We are very proud to have a sophisticated infrastructure, which facilitates us to have a large manufacturing unit. A highly experienced team of professionals are given regular training, so as to keep them updated as per the changing industrial needs. Owing to a variety of features that our products possess, our organization has received a lot of appreciation and garnered a huge clientele. We strive to offer a quality-tested products and try to meet the requirements of our clients.

During manufacturing we make sure that there is no prospect of any bacterial growth or humidity. We try to ensure that these products are carefully dispatched and delivered to our clients all over the country. A blend of the best spices of nation and beyond. Skilled laborers, proper machinery and hygienic atmosphere were taken care of to make the spices by frying, roasting and grinding them as needed and then they were attractively packed and made available to the consumers at reasonable prices.
