

EX Solutions

<https://www.indiamart.com/ex-solutions/>

We are one of the leading business entities, engaged in rendering quality bound services like Exhibition Stall Designing & Fabrication. Our professionalism and cost effectiveness of the services have made us a reputed name in the market.

About Us

With an experience of 8 years, we, **Ex-Solutions** have become a prominent name in the field of exhibitions, engaged in providing services like **Exhibition Stall Designing & Fabrication/ Installations, Trade Shows and Fairs**. Owing to our strict adherence to quality, timely completion of undertaken projects, professionalism and cost effectiveness, we have gained an enviable position in the market. We are backed by a competent workforce that is well versed with the various intricacies of exhibition & interiors. Our organization optimizes the use of knowledge management capabilities that enable us to render premium quality services to our clients. We are facilitated with in-house designing studio and a production unit. Our firm is equipped with modern technology such as multimedia and visual formats by using which we can design 3D environments. We use premium quality raw material for developing our designs. Our strict adherences to quality and abilities to customize the services according to the specifications of the clients have made us a favoured business associate of our clients. We also hold expertise executing the projects within promised time frame. All these factors have contributed in our rapid success and help us in garnering wide client base in the market.

Mr. Manoj Kumar, the mentor of our firm is the man behind our phenomenal success. Under his able guidance, our firm is growing by leaps and bounds. His...
