Expert Equipments, a company created by experienced engineers is devoted in manufacturing material handling equipments since last 37 years. Expert Equipments' **NANDI** products are designed scientifically with inbuilt quality to last longer life

## About Us

Established in the year **1981** at **Coimbatore, Tamil Nadu**, we “**Expert Equipments**” are **Sole Proprietorship** firm involved in the **manufacturing** a quality assortment of **Platform Trolley, Material Handling Trolley, Scissor Lift Table** and many more. We offer these products at competitive prices to our respected clientele within the defined time duration. Under the management of our mentor “**George (Proprietor)**”, we have achieved the remarkable position in the industry. Our company created by experienced engineers of the industry devoted in manufacturing since many decades. Our products are designed scientifically with inbuilt quality to last longer without any trouble. Fully fabricated body from cold-formed section for lowest possible dead weight to highest load bearing capacity, lowest dead weight. All moving parts are hard chrome plated and ground enables very less wear-out, very high life and resistance to environmental corrosion, resistance free movements of parts as well as oil. Hand lever controlled operation-lifting-neutral and lowering. No foot pedals-better operator safety and less mechanical damage. (Found in best pallet trucks all over the world, introduced for the first time in India & still the best). Controlled lowering speed - no sudden dropping on high load. Synthetic brush beating on all pivot linkage. Gravity suction of oil by pump - no effort required by operator for suction of pump Highest...
