About Us

Superstar is managed by a qualified management team with several years of relevant experience. The management team has an experience in various knowledge domains. The main objective of the company is to carry on the business in India or Globally as traders, dealers, exporters, importers, buyers, sellers, merchants, indenters, commission agents, brokers, buying, selling agents, factors, distributors, stockiest, in all kinds of products and articles of merchandise and to undertake carry on or acquire agencies of all kinds and for all types of products and articles of merchandise, commodities and to act as manufacturer's representatives and to set up import and export houses for all types of products required or ordered by customers. Over the years Superstar has developed a network and bonding with brokers and suppliers to be able to source large quantities of commodities from the right place at the right time at right price. Meeting customer expectation for quality on a consistent basis is paramount for Superstar's business. Dealing in commodities especially in case of perishable commodities timely delivery of goods is of utmost importance. Superstar meticulously plans the entire logistics right from procuring the orders from customers to arranging to procure goods from manufacturers through brokers to arranging the shipment through agents for timely delivery to customers across the Globe. Superstar has been continuously studying and analyzing...
