# Faarthest Roofing Technologies

<https://www.indiamart.com/faarthestroofingtechnologies/>

Our company has gained appreciation from the customers for trading and supplying an accurately designed array of Solar Home Power System and more. Also, we hold specialization in offering reliable Roof Erection and other services.

## About Us

**Faarthest Roofing Technologies** has stepped in to the business with a mission to provide only desired and quality range to the customers. Incorporated in the year **2010**, our company, within a very short time frame, has marked its presence in the list of top notch organizations of industry. We have started business as a **trader and supplier** of a comprehensive range of **Colored Steel Sheet, Solar Power Equipment** and many more products. Our company also holds specialization in offering responsible **Roof Structural Fabrication Service and Roof Erection Service**. In our consistent pursuit of flawlessness and perfection, our company has been successful in accomplishing the specific desires as well as expectations of customers. A forward looking organization, we aim towards successfully meeting and exceeding the aspirations of clients. The products we offer are procured from trustworthy vendors, who design and develop them incorporating advanced techniques as well as superior quality raw material. Moreover, it is our commitment towards perfection and excellence that has enabled us becoming, reliable business entity in this tough competition. Our entire operations are carried out under the intellectual administration of **Mr. Hari Prasad**, whose sharp business acumen, explicit vision, rich experience of the concerned domain and farsightedness have enabled us scaling the height of exponential growth in industry. With his support and guidance,...
