# Fertiequip Engineering Co.

<https://www.indiamart.com/fertiequip/>

Manufacturer of hammer mill, material handling equipments etc.

## About Us

Fertiequip Engineering Company is formed in the year 1979 by Mr. Ashok H. Ashtikar after spending a lot of years in M/S Fertiplant Engineering Company Private Limited, Mumbai. Our company is specialized in Designing, Manufacturing, Supply, Erection and Commissioning of NPK/SSP/Secondary Nutrients Fertilizer Granulation Plants on turnkey basis. Now a days, the company is managed by Mr. Ankush Ashtikar and it will continue to strive for excellence in quality and customer satisfaction.

Fertiequip has a long track record of successful best quality plants implementation in various states of India and also outside India. We have our own manufacturing facilities at Ambernath M.I.D.C. in Thane Dist., Maharashtra, India. The manufacturing unit is placed very close to metro city of Mumbai. The unit is well connected by roads and railways. The logistic management becomes easier due to locational advantage and good infrastructure facilities. We also have well experienced, qualified workforce to design and implement plants of any volume and capacities on turn-key basis.

Fertiequip is committed to enhancing its customers' success worldwide with products, services and responsiveness that set industry standards for quality and value. We relentlessly strive to be the best in every aspect of our business, by fostering a culture of trust, teamwork, responsibility, high expectations and open communications with employees, customers and suppliers.
