About Us

Established in the year **2011**, we, "**Fiber House Co.**", are a distinguished Manufacturer and Supplier of **Fiber Glass Rods and Tubes**. Ours is a Partnership Firm, which is based at **Rajkot, (Gujarat, India)**. We have gained a strong credibility in the market by virtue of our total quality management and large production facility. We are empowered by a sophisticated infrastructure facility, that is equipped with drilling machines, cutting machines and special purpose machines. These machines help us in meeting the bulk orders of our clients within stipulated time-frame. Moreover, we have employed a team of diligent professionals, who assist us efficiently in all the stages of the trade. They put their best possible efforts in providing high-grade products to the clients. Under the visionary guidance of Our Manager, '**Mr. Ravi Dethaliya**', we have climbed the ladder of success with a short period of time. His brilliant managerial skills, constant motivation and immense domain expertise have enabled us to stay ahead over our competitors.
