## About Us

Incepted in the year 1986, at Pune (Maharashtra, India). We, Fidelity Services, are occupied in manufacturing, exporting and supplying AC Capacitor test equipments as per IS 13340, **Online Sine Wave UPS, Online UPS, Servo Stabilizer. using the finest grade raw material and sophisticated technology at our hi-tech manufacturing unit.** These products are widely used in electrical industry. Our offered assortment is widely appreciated among our esteemed clients due to its easy installation, low maintenance, sturdiness, high durability and corrosion resistance. We also offer these products in various specifications as per their varied requirements.

The only reason behind our success in the industry is our state-of-the-art infrastructural setup. Our infrastructure spread over a vast area and is segregated on various units such as production, quality control, R&D, etc. that are manned with adroit professionals. All these units work in close-synchronization with each other to accomplish the objectives of our organization. Our production unit is well-equipped with latest machines and tools that are required for the fabrication of our product range. We strongly believe that team is the most important asset of any business firm and therefore that is why we have hired our professionals with extreme care. All the professionals are recruited on the basis of their knowledge, skills and experience. Our team members are well versed with the latest technologies and are...
