Fine Tools Corpn

<https://www.indiamart.com/finetoolscorporation/>

One of the illustrious manufacturer, supplier and exporter of a comprehensive range of **Chisels, Hammers and Screwdrivers.**

About Us

Fine Tools Corporation was established in the year 1964 by Sardar Ranjit Singh Sandhu as a partnership firm at Jalandhar, Punjab. We are engaged in manufacturing, supplying and exporting an extensive assortment of **Chisels, Hammers** and **Screwdrivers**. These products are precisely engineered by our experts following preset industrial standards and are available in various sizes and specifications. Additionally, our products are widely acclaimed for their sturdy construction, reliability, unmatched durability and optimum quality. **We are looking query from Gujarat and Maharashtra.**

Under the guidance of S. Ranjit Singh Sandhu & his sons Kamaljit Singh and Varinderjit Singh further set the firm's strategic direction towards Quality Excellence and Customer Delight. Owing to their visionary approach, leadership skills and high business acumen, we have carved a distinct niche for ourselves in the industry. Additionally, due to their proper planning and systematic work execution, we are able to carry out our business operations in a prompt and hassle-free way. We have an extremely supportive and adroit team of professionals, who efficiently accomplish the tasks doled out to them. The proficiency of our professionals enables us to better comprehend and interpret the needs of our clients. Consequently, we offer high grade products to the clients and gain their valuable trust and confidence. Years of...
