Finger Elevator Private Limited

<https://www.indiamart.com/fingerelevator/>

We are a sole proprietorship enterprise engaged in manufacturing and supplying a wide range of Elevator Doors, Machines & LCD Display. Along with this, we are providing Elevators and Related Accessories.

About Us

Established in the year 2008, we, "Finger Elevator Private Limited", are working as a responsible manufacturer and supplier of **Elevator Doors, Machines & LCD Display**. In addition to this, we are offering **Elevators and Related Accessories**. Our machines hold extensive demand in different sectors such as hotels, restaurants, homes and other commercial places. These products are manufactured with the use of superior quality raw material and technologically advanced machines. All the products offered by us are examined under the supervision of our quality controllers so as to assure their flawlessness. Some of the notable attributes of these machines are robust construction, longer functional life, rust-proof nature, superior finish and easy maintenance. We work round the clock under the assistance of our efficient employees, who have years of experience in their respective domains. Assisted with high-tech machines and equipment installed in our production unit, our professionals aid us in meeting set orders of customers and attaining timeliness in dispatches. In addition to this, our quality controllers assure that all the products manufactured by us are in compliance with the set industry guidelines. We also provide these products in various specifications in order to fulfill the demands of our customers. Under the expert guidance of our manager, 'Mr. Parmod Sharma', we have been able to gain the faith of our customers. He has always...
