<https://www.indiamart.com/fitnesshours/>

Our organization is a leading trader and wholesaler of Domestic Home Gym, Commercial Group Bike, Commercial Treadmill and many more. Our entire offered range of products are cost effective in pricing.

## About Us

**Fitness Hours** conceived its business operation in the year **2008** as a Proprietorship firm in the industry. We are leading organization in this industry engaged in the **trading & wholesaling** of wide range of fitness equipments for health clubs, corporate fitness centers and spas. We incepted our organizational activities from our offices located at Bengaluru, Karnataka (India). Our products range comprises of Domestic Multi Function Treadmill, Domestic Motorised Treadmill, Commercial Recumbent Bike, Commercial Gym Equipment and many more in the list. Our products ranges have efficient and optimum functionality. They are sturdy in construction and superb in designing. Our products range looks very attractive and available at affordable prices in the market. With the help of our team members we are able to meet the demands of market and offer them sophistication range of products. Our entire range of products is widely demanded at the commercial and residential purposes. **Mr. Venu Gopal** is mentor for all the operation held in our organization **Fitness Hours**. He is a **proprietor** of the company and owns several traits that also encourage the team members of the company. He owns a good knowledge of this industry and effectively uses it by keeping our employees updated with them. He is a focused person and imparts his complete strength to get the desired results. He is also a client oriented person and helps our employees to...
