We are one of the leading companies engaged in manufacturing and supplying wide array of Mosquito Safety Products. These commodities are manufactured using the best grade material of construction and latest methods of fabrication.

About Us

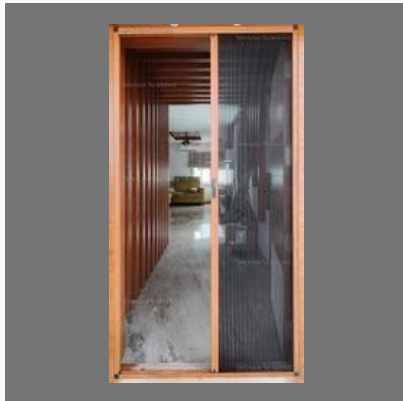

Specific Systems was **established in the year 1999** and within a short period of time, we have become a pioneer in manufacturing and supplying **Mosquito Safety Products**. Based in **Hyderabad, Andhra Pradesh**, we provide products are highly helpful in keeping oneself away from various diseases that are caused by mosquitoes. Owing to our quality products, we get repeated orders from our clients which explain the success of our organization. All these products are quality tested from the initial stage of production until the final dispatch to ensure only performance oriented products are delivered to the customers. ? With the support of our sophisticated manufacturing unit, we are able to design and develop high caliber products timely and accurately. Our talented professionals hold expertise in this domain and help us in understanding the requirement of the customers and offering them required products accordingly. These goods are manufactured by using optimum quality material of construction and strictly following industry norms of quality. Our complete array can be customized considering the specifications provided by the clients. ? Under the able guidance of our mentor **Mr. Mohd. Umar**, we have achieved an annual turnover of **US\$ 0.25 Million (Rs. 1 Crore Approx)**. His great business acumen and communication skills bundled with vast industrial experience has led to the exponential growth of our firm. Our dedicated team ensures the...
