# Focus Trading Company

<https://www.indiamart.com/focustradingcompany/>

We are a trusted name in the industry for supplying and trading a diverse range of Chemical Compounds. Our products are highly regarded by the customers for their purity, precise composition, long shelf life and accurate pH level.

## About Us

**Focus Trading Company** was established in **2010** and is engaged in supplying and trading a varied range of Chemical Compounds. Our product range is inclusive of Food Industry, Water Treatment & Waste Water Treatment Industry and Oil & Gas Industry. Our products find wide usage in food industry, paper making industry, textile industry and waste water treatment plants. They are remarkable, as characterized by stability of pH, high purity, long shelf life and high effectiveness.

Our product range is wide and comprehensive owing to our reliable and reputed vendors. They make products in tune with the set industry norms for offering the best to the customers. Our products are made to pass through strict parameters of quality control, which are approved by our clients as well. The warehouse is divided into various departments for avoiding hassle during packaging and dispatch. We have an efficient packaging facility and ensure the safety of the chemicals during transportation and dispatch. Our transportation network is prompt and wide. It has earned us a celebrated name in the industry for meeting the mutually agreed time frame for deliveries. Our workforce is the greatest asset of the organization. We have experts from the industry and they have enabled us to operate as a client-centric organization with a wide clientele.

Our mentor, **Mr. G. Vijayanand**, is the reason behind our epitome of success. He is experienced and concerned...
