About Us

Ayurvedic medicine is a traditional medicine native to the Indian subcontinent and practiced in other parts of the world as a form of alternative medicine. SKM Herboceuticals, one of the largest & widely respected private label manufacturers of India is known for their quality & service in the manufacturing of ayurvedic medicines.

From a modest beginning in the year 2004 with the manufacture of Ayurvedic products at Kundli, Haryana in North India, SKM today manufactures Ayurvedic products at their GMP certified manufacturing Facilities at Rai, Haryana. The company is an ISO 9001:2000 certified company. The company has got their own R&D and every effort go into researching, developing and producing quality medicines under controlled conditions from source to packaging.
