# About Us

## Fort Amla

Located about 120 Kms from the city of Indore, is the Fort Amla. Established by the descendents of Bappa Rawal, the Amla riyasat boasts of a proud heritage. The Fort is an architectural delight to behold with bold sweeping arches and long open terraces. With a peaceful atmosphere, it is a perfect getaway close enough to major towns (Indore- 120kms; Ratlam-45kms and Ujjain-45kms) to be easily accessible. The Fort has now opened a section for guests, giving them an opportunity to live the grandeur and the history. The stillness of the life, it's charming simplicity is a contrasting reflection on the present day 24/7 world. Come to Fort Amla. Experience what we have left behind in this journey to the present.
