About Us

Our company Chattisgarh steel & alloys was established in 2013. We are leading trader & supplier in MS Rail, Ms plate scrap, MS Scrap etc. This scrap is procured by sourcing agents in adherence to the international standards of quality. Extensively known for its high strength, abrasive & corrosive resistant nature. These scraps are used in engineering, automobile, petrochemical and many other industries for different purpose. As a quality conscious organization, we source all our products from trusted and reliable vendors who adhere to the set industrial rules.
