About Us

F & V Global Logistics LLP is one of the leading freight forwarding companies in India and has fruitfully carved a niche in the industry. Our integrated services and customer-focused solutions are tailored to meet the expectations of our valued clients.

Since our inception, we have been striving to offer dedicated services to set benchmarks in the industry. Our team of professionals having more than decades of experience in shipping industry has been instrumental in addressing to the demands of our customers. They are our assets and the backbone of our company. We at F & V Global Logistics LLP, regularly upgrade our strategies so as to provide cutting edge logistics solutions that are totally unmatched. It remains our forte to edge over our competitors with best-in-class services that boost the success of our client's business. Our main area of operation is Sea Freight including other additional services. We have our operations in Africa, Middle East and Sri Lanka. Through our teamwork, stringent quality policy and top notch services, we have entrenched our rapport as a market leader in this realm.
