About Us

Ganapati Nursery started its business operations to cater to the needs of the different sectors regarding Plants. The company is well-known as a prominent Manufacturer and Supplier of a wide variety of Plants such as Palm Plants and Shrub Plants. We deal in best quality plants and our vermicomposts are certified by the Indian Institute of Technology (IIT) Kharagpur branch. The nursery produces Palm, Indoor, Ornamental, Seasonal, Fruits, and Some Avenue plants, Grass & Carpets, Vermicompost and Landscaping. The journey of Ganapati Nursery was started in the year 2002 on a small piece of land in West Bengal at Kolkata. After making a firm base and respectable name in the field of Nursery, Horticulture and Landscaping it started its development on a large scale in the year 2005. The thought of expansion was encouraged and supported by our clients who had tremendous faith in us and appreciated our hard work. The main aim of expansion was to produce quality plants. As the development preceded it set a new aim to produce specimen and established plants of superior quality.
