About Us

EXPERIENCE, EXPERTISE, INNOVATION are the three buzzwords at Ganga Acrowools Ltd. and key to our over six decades of market success in all that we make: be it Worsted Acrylic Yarns, Wool Yarns or Blended Yarns. The key features that keep us unique are:

- The experience and expertise of qualified technocrats and a dynamic management.
- Our state-of-the art manufacturing facilities.
- The innovation brought about by a committed R&D and constant upgradation of quality.

Our set up includes two separate sections:

Fine and Medium Count Yarns suitable for hosiery, machine knitting, hand knitting and weaving, etc. Coarse Count Yarns meant for hand knitting, carpets, etc. We supply a complete yarn range: grey, (Raw white) dyed, melange, prints (Multicolours) and yes, all our yarns are 100% auto coned (spliced and knotless) and electronically cleared.

Our 'let's do it' attitude has earned us a reputation for quality and on-time deliveries.
