We are a highly distinguished manufacturer, supplier and exporter of a broad range of Handloom Weaving Machines. These machines are available in standard models and series; however, clients can also opt for customized solutions.

## About Us

Our organization, '**Gayatri Furniture**' was established in the year **1975**, as a manufacturer, supplier and exporter firm. We are a sole proprietorship company engaged in offering **Handloom and Weaving Machines**. Our expertise allows us to offer different types of looms and weaving machines in standard designs and configurations. These mechanically operated machines are highly reliable and deliver enhanced performance with zero maintenance. Our robust infrastructure helps us in offering customized solutions to the clients. We are capable of producing bulk orders in small turnaround time. Our proficiency lies in offering superior quality products at most economical prices. Through our wide distribution network, we deliver the orders in **Indian Subcontinents** including **Nepal** and in **South / West Africa** as well. Clients across textile and handloom companies, polytechnics, fabric industries and fashion designing institutes avail our products. The orders are delivered via cargo, air or road. For hassle-free transactions, we offer easy payment modes like cheque and DD. Under the able guidance and leadership of our mentor, '**Mr. Kantibhai Suthar**', we have achieved tremendous success and consistent growth. He has helped us overcome various industrial challenges with sheer hard work and commitment.
