G B Controls & Services

<https://www.indiamart.com/gbcontrolsservices/>

We are one of the prominent manufacturers and exporters of Thyristor & Contactor based APFC Systems, Advanced Microprocessor based APFC Controller. Further, we are also engaged in offering energy audits and services for energy saving products.

About Us

Established in the year **2004**, we, “**GB Controls & Services**” are one of the leading manufacturers and exporters of **Thyristor & Contactor based APFC Systems, Advanced Microprocessor based APFC Controller, APFC controllers with GSM connectivity**. Moreover, we are also engaged in offering our clients with energy audits and energy saving products and their services. Our clients can avail from us **Energy Saving Equipments** related to industrial, commercial and power distribution applications. We are the pioneers in introducing the concept of Real Time ultra fast Automatically Switched Thyristorised APFC System, for reactive power compensation. Our products and services cater to the needs of Electricity Utilities, leading industrial units and other customers like **Power zone Systems [I] Pvt. Ltd., Crompton Greaves Ltd., Herodex Power Systems Pvt. Ltd., Max Energy Pvt.Ltd. and Epcos India Ltd.**

We are progressing under the visionary guidance of our owner, “**Mr. Dhananjay Bhamare**”, whose 20 years of industry experience has helped us gain the trust and faith of our clients. Under his guidance organization has achieved remarkable success since its establishment.

APFC PANEL

Thyristor Switched APFC System

Thyristor Switch APFC Panel

11 Kv HT APFC/LOPFC Panel

Active Harmonic Filter Panel

APFC RELAY

LT Automatic Power Factor Controller (2 Phases, Single CT)

8 Steps LT Automatic Power Factor Controller (APFC) (3 Phases, 3 CT)

HT Automatic Power Factor Controller (APFC) (3 Phases, 3 Ct)

OTHER PRODUCTS:

Thyristor Switching Module

Advanced Thyristor Module

HT Cap Switched Control Box

Thyristor Switched Capacitor Panel

OTHER PRODUCTS:

11 KV Vacuum Contactor Coil Controller (11 KV VC ON Control Card)

Active Harmonic Filter

Firing Card - Single Step 2 Line

Advanced Firing Card

OTHER PRODUCTS:

96x96 mm APFC Controller

Contactor Switch Apfc Panel

Thd Harmonics Multifunction Meter

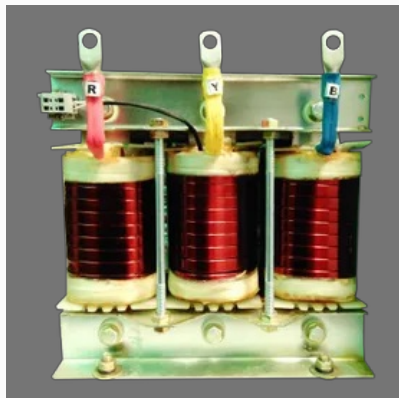

Electrical Energy Audit Service

OTHER PRODUCTS:

Apfc Panel-AMC CMC Services

7% Percent Aluminium Wound Series Harmonic Reactor

PCB design Service

Single Step ZCD Firing Card

Factsheet

Year of Establishment	: 2004
Nature of Business	: Exporter
Total Number of Employees	: 11 to 25 People
