About Us

G.C. Chemie Pharmie Ltd. founded by **Gautam Shah** in **1995**, is an innovative and ambitious Indian pharmaceutical, nutraceutical, functional foods company with global presence. We partner with associates & clients alike to deliver customized solutions that resolve their significant issues and create lasting competitive advantage. We are Manufacturer, exporter and Importer of Pharmaceutical Ingredients, Pharmaceutical Salt and Novomix Tablet Coating and much more.

GCCPL is serving the Indian Pharmaceutical, Functional food & the cosmetic industry for almost two decades now.

- The global pharmaceutical industry is expected to be worth more than \$1 trillion by end of 2014,
- The US is at the top of the global pharmaceutical market and is followed by the Japanese market, which is followed by the European market.
- From a market size of US\$ 12.6 billion in 2009, the Indian pharmaceutical market will grow to US\$ 55 billion by 2020
- The organized nature of the Indian pharmaceutical industry is attracting several companies that are finding it viable to increase their operations in the country.
- Cosmetic Market sales reach about \$170 Billion dollars a year. It's distributed pretty uniformly around the world with ~\$40 billion in the Americas, ~\$60 billion in Europe, ~\$60 billion in Australia & Asia, and another \$10 billion in Africa covering major segments such as Hair care, skin...
