We are one of the prominent manufacturers, traders and wholesalers of **Household Plastic Goods** and **PLASTIC PRODUCTS**. We have carved a niche for ourselves in the plastic industry.

## About Us

We, at **Gee Enterprises**, are amongst the leading manufacturers, suppliers, wholesalers, and distributors of this highly commendable range of Household Goods, ever since our inception in the year **1976**. The offered range is widely praised for its sturdiness, durability, and finishing. Its manufacturing is done as per the norms and guideline of the industry, using the finest raw materials and modern machines. The offered range is made up of the finest Partition Crates, Material Handling Pallets and Fruit & Vegetable Crates, having a high preference in the market. In addition to this, the offered range is marked at the most reasonable rate possible. Our exporting countries are Srilanka, Bangladesh, Nepal, Myanmar etc.

The highly advanced state-of-the-art infrastructural facility at Gee Enterprises has been parted into several highly operational units. This helps us in the attainment of several of the firm's predefined goals and targets. The facility, for reasons of maximizing the firm's reach in the market, is upgraded on a highly regular basis. In order to attain several of the firm's predefined goals and targets, the facility has been equipped with all the necessary machinery and equipment. Further, our client-centric behavior has helped us in generating a huge client base.

Under the leadership of our CEO, **Mr. Kapil Rastogi**, we have managed to attain greater heights of success in the past years. His experience,...
