<https://www.indiamart.com/glasstekindiaenterprises/>

We are the prominent Trader, Importer, Exporter and Supplier of premium quality Glass Ampoules, Glass Tubes and Glass Vials. Procured from leading market vendors, this range is acknowledged for its perfect finish and precise design.

About Us

Incorporated in the year **2013** as a **Partnership firm** at **Ahmedabad (Gujarat, India)**, we **“Glasstek India Enterprises”** are the reputed **Trader, Importer, Exporter** and **Supplier** of an exceptional quality range of **Glass Ampoules, Glass Tubes** and **Glass Vials**. We procure the offered range from vendors who have set benchmarks in the industry by their excellent quality product range. This range is manufactured from the best quality glass with the aid of latest machines keeping in mind the industry standards by expert professionals at our vendors' well-equipped unit. The offered ampoules, tubes and vials are widely used in the pharmaceutical industry, laboratories, hospitals, etc. This range is highly appreciated among our esteemed clients for its remarkable features like crack resistance, perfect finish, precise design and easy to clean features. We offer this range in varied sizes, designs and other specification to cater the variegated client requirements. In order to offer the best quality, our vendors make use of excellent quality glass. Apart from this, to ensure an impeccable finish and to offer the best quality to the clients our quality check team thoroughly checks the offered range against set quality parameters before dispatch. We export import our products in **China, Benin, West Africa, East Africa etc.**

Under the guidance of our mentor **“Mr. Brijesh Patel”** we have...
