About Us

Established in the year **2004**, we, “**Global Polyurethanes LLP**”, have become a renowned firm engaged in manufacturing a high quality array of PU Adhesive, PU Foam, etc. The foam sheets manufactured by us are made available in varied sizes, so as to meet the specific needs of various industries.

Under the able guidance of our mentor, '**Mr. Yeshwant Themaskar**', we have established ourselves as an noted firm in this domain. It is his in-depth knowledge and charismatic leadership qualities that enable us to meet our organizational goals.
