About Us

We are leading Exporter & Trader of Indian Fresh Frozen Boneless Buffalo Meat and Sea Food Products to various destinations from last many years. We are Situated in the heart of India's capital Delhi. We always aim at providing the best quality meat to our clients. Our products are most hygienic. For this, fastidious care is taken during procurement, processing and packing of the meat and meat cuts. The company has direct contact to the network of major govt. Abattoirs of India. The company is ideally positioned to purchase best of slaughtered buffalo carcasses and supply a wide range of meat products world-wide.

We maintain the international quality in our products and the entire processing units. The company offers all kind of finest quality meat products. The products are manufactured under close supervision of technical staff going through stringent quality checks at various levels to give its clientele the best. Also we are Member's of APEDA Ministry of Commerce, Govt. of India, Delhi Chamber of Commerce. Direct Contact from Big purchasers enables us to keep our rates highly competitive. The daily task involves stiff control over all purchasing and deliveries, stock levels, product line, packaging, documentation, special customer formalities and transport. Large-scale customers from major countries world wide, regularly keep out stock turning over and guarantee the freshness and high quality meat for which we are distinguished.

We provide 24x7...
