Global Polytech

<https://www.indiamart.com/globalpolytech/>

We are offering, Light Weight Concrete, Polymer Membrane Technology, Thermal Insulated Coating, Clear Water Repellent Coating, Anti Carbonized Elastomeric Coating, Sealing Slurry, Water Proofing Polymers, Decorative Coating & many more.

About Us

Established in the year **2002**, we, “**Global Polytech**”, are engaged in manufacturing and wholesaling a precisely-formulated collection of Construction Chemicals. The range offered by us comprises Light Weight Concrete, Expansion Joint Treatment of any size, Anti-carbonized coatings, Metal Treatment Chemicals, Waterproofing Chemicals. In this range we offer Polymer Membrane Technology, Elastomeric Coating, Clear Water Repellent Coating, Thermal Insulated Water Proof Coating, Polymers For Repair & Rehabilitation, Elastomeric Crack Sealer Compounds, Exterior Painting Products, Texture Coating, Rust Converter, Floor Hardeners, Sealing Slurry, Floor Coatings, Fire Retardant & In Tumescant Paint. All these chemicals are precisely formulated and processed using quality-tested ingredients and advanced processing techniques, in compliance with the defined industry norms and standards. Our products are stringently examined by a team of quality inspecting team on certain parameters so as to ensure that the same are free from flaws. Moreover, owing to the striking attributes like precise pH value, accurate composition, environment-friendliness and purity, our chemicals are widely demanded by the clients. Our offered chemicals are registered under the umbrella brand, namely "RYOT4".

We are empowered by a state-of-the-art and modernized infrastructure, which supports us in undertaking all the business operations in a dexterous manner. This...
