We are a diversified group of Marine service and Trading companies with offices in UK, Hong Kong, India and Dubai.

## About Us

We are a diversified group of Marine service and Trading companies with offices in UK, Hong Kong, India and Dubai. Our marine division provides a vast range of support services to the shipping and ship-management companies, around the world. We are a team of Senior Marine Engineers with a collective experience of more than 200 years at sea and ashore. From this background we are able to draw on our combined knowledge and contacts throughout the industry for efficient and cost-effective responses to your enquiries. Our trading division specialises in the trading of machinery, plants, commodities and scrap metal. To date we have over 500 worldwide Clients - comprising Ship Owners, Ship Managers, Shipyards and Trading Companies and share synergy with most dynamic forces in the shipping world.
