Goodwill Fabrics Private Limited

<https://www.indiamart.com/goodwill-fabrics/>

Fabric mill in existence since 1983 at Bhilwara in Rajasthan state in north India. This mill covering some 800000 square feet and incorporating yarn dyeing, weaving, color kitchen.

About Us

steaming,finishing,resource planning system,laboratory & effluent treatment plant caters to domestic market about 80% and export market about 20%.Here all kinds of yarn dyed and solid dyed fabrics are made for bottom and shirt weights. Garment division started in 1999 with one factory at Agara near South East side of Bangalore now have grown to 4 factories.Here we produce woven garments for men,women and children.Bangalore was choosen due to low cost of production,lower direct labour cost,established textile infrastructure,availability of raw material and skilled workforce. Made up division started in 2007 at Bhiwandi near Mumbai where we presently make just Bed Linen in Solid & yarn dyed fabric in any blend.
