About Us

Finding sound investments that provide the best possible return without undue risk is not easy. It takes thorough research to identify the best products and careful monitoring to keep them on track. That's why his clients rely on his knowledge and expert guidance. They know that he will always watch out for their best interests, and he provides the personal attention and service that they expect. Gopi Chulani has earned their trust and continued business by never losing sight of their objectives.

You may be considering retirement in five years or three decades. Either way, V-Care (Wealth Creators & Money Managers) can set you on course to meet your goals.

Whatever you're financial goal – early retirement, a second home, your child's education – Gopi Chulani helps you devise a strategy to make it happen. He'll look at your spending patterns and find ways to buy more value for your rupee. He analyzes your goals, the level of risk you want to take, and the assets you can afford to invest today.

The service of his company V-Care needs to be experienced to believe. Timely reminders by his team of Administrators of due dates and efficient collection and delivery systems get better by the day. Gopi Chulani is extremely hardworking and chooses to spend his valuable time more with his clients than the comforts of his V-Care offices. He is a good human being and his deeds always compliment...
