About Us

The company was formed in 1980's as an Pvt. Ltd. company in Haryana, with a view to cater to the SME's in the field of Solvent oil with a single plant.

Over the time the, the company grew into large behemoth of a number of Liquid Glucose, Rice Bran Oil, HMS, MDP, etc.

Now the company has become one of leading extractors and manufacturers of Oil in North India. The company is exporting the deoiled cakes to Gulf countries as well.

Lately the company has diversified into diverse fields of manufacturing. Presently the company is adding Starch to its product portfolio, by setting up a 150 TPD Corn Processing plant in Haryana.
