About Us

At Gajraj Agrotech (formerly Goyal Industries) we are very mindful of the responsibility it takes to be in the food business. Everything we do is backed by pertinent questions – Does it add value? Can it be done better? Will it result in value for the customer? And it is in answering these questions that we keep redefining our benchmarks. Keep delivering quality consistently. Today, if we are counted amongst the world's most respected Durum Wheat Product manufacturers, with a 550 ton per day capacity, it's only because we add value. Every day, across every corner of the world through product offerings like special Kesari Rawa, Dalia, Wapsi, Hulled Wheat and Semolina, we aim to nourish goodness through food that is healthy and nutritious. Our Mission To establish ourselves as a brand known for delivering goodness through excellence. Our Vision To become the world's leading player in the Durum Wheat product space while creating an inherently nutritional dietary ecosystem for consumers across the globe. GOLD-CLASS QUALITY FROM A WORLD-CLASS PRODUCTION FACILITY

Our world class production facility spread across 1 lac sqft. is where every grain goes through a 16 - scale quality check and an 8 stage hi-sensitivity production process to achieve world standards. Home to the best from around the world, our Nemawar plant houses Silos imported from GSI USA offering 24×7 climate control, 365 days a year, Hi-tech Cleaning, Sifting and Sorting,...
