## About Us

**Grace elevators**, an independent **elevator company in Chennai**. We are in the business of “moving people and goods” in a safe, secure & comfortable manner through **lifting equipment** in compliance with the regulatory standards. We do new ***installations, modernisation, maintenance, servicing & repairs of elevators***. We **specialise in Passenger lifts, dumbwaiters and goods hoists**. We have many business relationships with companies to bring you the best elevators at affordable prices.

Established in 2006, our aim is to provide you with more than just an elevator! We are a **Lift Service Provider**, with focus on exceptional service. Let it be servicing your existing lifts to new **installation & modernisation**. We ensure you that all our products are ENERGY SAVERS. If you are looking for a company that provides personalised service, contact us to discuss your requirement today!

We are delivering vertical transportation product since 2006 to challenge the best at an affordable cost yet technically advanced vertical transportation system right from Tier III Customers to Premium Segment Customers

**We are running into our 6th year of seamless operation. We are SSI (Small Scale Industries) registered and CEIG (Chief Electrical Inspectorate to Government) approved unit to carry out *elevator installation and maintenance***
