Shree Ganpathi Granites & Marbles

<https://www.indiamart.com/granitesmarbles/>

We are one of the leading manufacturers, suppliers, wholesaler and exporter of Natural Stones, Granites, Marbles. Our products are well-known in the market for their attributes such as smooth texture and longer life.

About Us

Established in the year **2005**, we, “**Shree Ganpathi Granites & Marbles**”, are a reputed manufacturer, supplier and wholesaler and exporter of Natural Stones, Granites, Marbles. As our products are smooth-textured; cost-effective; durable; high quality; dimensionally accurate and attractively designed, these are demanded in the market in great numbers. Our products are made using the best machines and raw material in order to keep their quality as high as possible. We work with the intention to provide our customers the best product straight from our factories so that these get delivered on time. Our services pertain to making of Kitchen counter, Table top, Flooring, Cladding for Home, Staircase, Commercial building & Hotel and are commonly used in Apartment projects also. In addition to these, we also provide a series of value added services such as, customized packaging, installation training and after-sales on site support. Due to the meticulous efforts of our team, we have been able to assemble a group of clients which is highly regarded by us. Some of our well-known clients are Rohan Builder, Sobha Developer, Goel Ganga Group, Jain Height, Astro Builder and Daddy Developer. Our infrastructure, especially our Marketing Unit, has also been of great help to us in providing highly valuable products and services to our clients. With the aid of the quality of our products and reasonable prices at which we offer these, we have managed to...
