We are reputed service providers who have entered the domain with big projects & bigger dreams. Even as a new entrant we have created a definite position in the country's booming real estate business. Our area of operation is Navi Mumbai.

About Us

We, **Grow Homes** are a well based pioneered entrant in the domain having started our business operation in **2011**, as a Construction Company and Property Developers. We entered the domain with inspirational ideas to bring about a shift in residential projects. We wanted to bring nature in our periphery. The best way to do that was to go to nature and live amidst the opulence that nature has spread all around us. Our projects in the outskirts of Mumbai offers best of both the world. The amenities offered by us are owners pride and neighbors envy. Some of the amenities offered by us are **Club House, Mediation Rooms, video Door Phone, Intercomm, Convenient Stores, WiFi, Bus Services, power back up to Elevator and Common Areas, Internal Street lights, Gated Community, Surveillance System, Storm Water drain System, Water Purifier Plant with Or-Ro System.** We have the back up of a team of dedicated professionals whose...
