About Us

“Growth Industries” is a foremost manufacturer and exporter of an efficient and wide range of **Wire Drawing Machine, Nail Making Machine, Screw Head Slotting Machine, Automatic Chain Link Fencing Machine, Nut Bolt Machine, Automatic Trimming Machine, etc.** We provide these machines under the brand name: Growth. Established in the year **1959** at **Amritsar (Punjab, India)**, we have developed a well functional infrastructural unit where we manufacture these machines as per the global standards. Ever since our origin, we are a Sole Proprietorship Company which is incepted with an aim of providing world class collection of machines in diverse models and specifications. Under the supervision of our mentor, **“Mr. Navdeep”**, we have been succeeding in this sector. We export these machines to Asian countries. Being an **ISO 9001:2008 Certified Company**, we are committed to offer best quality products to the customers.
