About Us

PRIMCO PLAST' The Leading Name In Domestic Electrical Wiring For Surface And Concealed Wiring System, Manufactured By GSN Industries, Howrah Established In The Year 2002. Our team's experience of over two decades has enabled us to develop and enhance our processes to make truly innovative products. Our products not only adhere to the quality standards of the market, but surpass them. All our products (Casing-Caping, PVC Rigid Conduit Pipes) are guaranteed by the ISI Mark of conformity bestowed on us by the BIS. It makes us proud to serve our customers with products made in manufacturing units which have already been awarded ISO Certifications, thanks to our excellent quality management systems. In a short span of time 'PRIMCO PLAST' products have gained tremendous popularity in Kolkata electrical whole sale market, the quality of our products are approved by the renowned projects, and consultants. The positive response has led to the company to expand into many more products within very short period. We want to create long-lasting relation for our channel partners who have been the engine of our growth over these years.

We work under the headship of **Mr. Navin Kumar Ladha** (Proprietor). His sincerity and business approach help us to keep our customers contended.
