We are one of the leading manufacturers and exporters of a wide range of incense sticks, dhoop, attar oils, incense oils, rose water, herbal soaps and other perfumery products, which are available in various fragrances.

About Us

Established in the year 1816, at New Delhi, we **Gulab Singh Johri Mal**, are engaged in manufacturing and exporting a wide range of incense sticks and other perfumery based products. Our range include agarbatti, fragrance cones & dhoop, attar oils, incense oils, essential oils, soaps/other products and perfumery accessories. We are led by **Mr. Krishan Mohan**, who has extensive process expertise in manufacturing pure & high quality range of perfumery based products. To support him, we also have services of expert workforce to make the products as per the requirement of our customers. Furthermore, our head office located at **Dariba Kalan, Chandni Chowk, Old Delhi** helps us in conducting prompt delivery of the range to any location globally. Furthermore, our range of incense sticks and perfumery products are manufactured using natural and pure herbs that have superior fragrance properties, thus making them suitable for all age groups.
