

Guria Fashion

<https://www.indiamart.com/guriafashion/>

We are the well known company of the industry which is engaged in the manufacturing, supplying and exporting of Girls Frocks, Girls Lehengas and many more. We use finest quality fabric in manufacturing of our products.

About Us

Guria Fashion is the **sole proprietorship** based company which was established in **2000** at **Kolkata** in **West Bengal, India**. Our company is involved in **manufacturing, supplying and exporting** of **Girls Frocks, Girls Shorts, Girls Lehengas** and many more. The offered products are attractive, qualitative and have fantastic fitting which is appreciated by our customers. Our designers and professionals use their skills and talent in manufacturing these products. We manufacture these products as per the latest fashion trends which attracts the clients most. The quality and the finishing of our products are world class and we follow the international norms while producing these goods. We have been maintaining a healthy relationship with the clients from so many years. They are our first preference and this is the reason behind the strong bonding between us. We are achieving the target goals consistently under the supervision and guidance of **Mr. A.H. Khan** who is the **proprietor** of our company. He is extremely talented and highly experienced in his respective domain. Further, he runs the entire business smoothly and systematically by using his business skills and policies. He encourages and motivates the other employees to work hard with complete coordination and cooperation. His contribution and support is the main reason behind our success and growth. We are facilitated by an ultra-modern infrastructure that is...
