We have marked an enviable status in industry by manufacturing, trading and supplying an accurately designed **Industrial Turnbuckle, Lifting Tackles & Metal Shackle.**

About Us

Established in **1992**, we, **Halder Hardware Mart** have emerged as a sole proprietorship firm. The company is engaged in **manufacturing, trading and supplying** a wide assortment of **Industrial Turnbuckle, Lifting Tackles & Metal Shackle** and many more. The whole product range offered by us is largely acknowledged among customers for their remarkable features as well as quality that is just because, we develop them using optimum quality raw material. Besides, our products are developed under the strict guidelines and supervision of experts, who assure their excellence as well as reliability. The material used by us is sourced from industry's most reputed and authorized vendors, whom selection have been made by us after conducting rigorous market research. Therefore, our products are demanded for their matchless features, which include corrosion resistance, smooth finish, dimensional accuracy, sturdiness, less maintenance, optimum performance and many others. Apart from this, excellence of our entire product range is checked on well-defined quality control parameters of industry, just because of our assurance to supply error free range to our respectable clientele.

Led by our company's honorable proprietor "**Mr. Subhankar Halder**", we have earned successfully a desirable status in industry. His sharp business acumen, ethical working approach, foresightedness and outstanding administrative quality has helped us in...
