About Us

Commenced in the year **1992**, **Haldiram Bhujawala Ltd** is a leading company in the market. Our company's operational head is located at **Kolkata, West Bengal (India)**. Our company is based on **Public Limited**. We are the leading **manufacturer** and **exporter**, engaged in offering a good quality assortment of **Salted Namkeen, Sweet Sharbat, Fresh Ladoo, Baked Snack, Organic Pickle, Fresh Lachha** and **more**. Offered products are cost effective in nature. We exports **8 to 10 %** of our products to **Dubai, Oman, UAE, Singapore and Bangladesh**. Our company has emerged as a household name for ready to eat snack foods in India. It has come a long way since its humble beginning as a small time snacks shop. Our firm is also pioneered new ways of packing namkeen and its packaging techniques increased the shelf life from less than a week to more than six months. The group was the first company in India to open restaurant offering traditional Indian snack food items such as "papdichat", "pav bhaji", "puchkas", etc. Our company since the very beginning had been renowned for quality products. The company uses the best available technology in all its manufacturing facilities in India. Our company never targeted the niche market with the higher income group but always made sure the standards are maintained in quality and packaging. Being a snack the...
