About Us

Incepted in the year **1978**, we, "**Hansika Industries**" are actively engaged in manufacturing and supplying a broad array of high-quality products. In our product range, we are offering **Life Raft, Life Jacket Products, Marine Whistle** and many more. These offered assortments are designed by taking high-grade components as per the well-defined industry norms. Our offered ranges of products are broadly demanded among the clients for their unique attributes like fine finishing and long service life. We are offering range as per the client specific need at the nominal market price range. We are backed with the state-of-the-art infrastructural unit for manufacturing our offered range of products. We have hired a team of highly skilled professionals, who are carefully appointed by keeping in mind their skills and knowledge in their respective domains. Moreover, we have an ideal quality system for finishing, process control, testing, marking and material control through which entire product range has to pass through before dispatching to clients that make sure high-quality product delivery. Under the valuable leadership of our mentor, "**Mr. Tushar J. Panchal**", we have been able to fulfill ever-changing demands of our clients in a most resourceful manner. His vast industry knowledge helped us to be a leading organization of the industry.
