<https://www.indiamart.com/hariom-roofing-industries/>

Hari Om Roofing Industries is one of the leading and the largest private sector producer of Roofing sheets in India. Our products are made from raw materials of the highest quality in accordance with strict ASTM/JIS/AS & IS standards

About Us

Hari Om Roofing Industries is one of the leading and the largest private sector producer of roofing sheets in India. Set up as Hari Om Roofing Industries founded by chairman **Mr H Harish**. Our range of **pre-engineered buildings, roofing, cladding and rainwater systems**, made from raw materials of the highest quality in accordance with strict ASTM / JIS / AS and IS standards, offers flexibility of design to suit any construction need be it your business, factory, home or office. Our products are made to meet your aesthetic needs as well. Technology and innovation have always been the cornerstones of IIL's quest for excellence and these state-of-the-art plants facilitate the company's mission to attain and sustain market leadership, through technological and product superiority. The company's strengths lie in its integrated process management, knowledge management and control systems. And its seamless supply chain management systems further the efficient use of raw materials, while its staff of highly skilled engineers, technicians and managers with specialised domain knowledge, ensure the choice of the relevant technology and the ability to produce international quality products at a competitive price.
