We are engaged in the manufacturing, export & supply of stainless steel, imitation and fashion jewelry. With our creative, alluring and stylish collection we have gained strong foothold in domestic as well as overseas market.

## About Us

**Harsh Exports** is a self-motivated and dynamic organization engaged in the manufacture, export and supply of **stainless steel, imitation and fashion jewelry**. We have gained expertise in producing colourful fancy jewelry studded with various precious and semi precious stones. We are a proprietorship firm being operated by Ashok Jain. B, who is the director of the company. We understand exclusive taste and choices of our customers depending upon their region, customs and traditions. We manufacture jewelry that suits the occasions. Our team of young artisans has gained tremendous experience in cutting and polishing the jewels at the same time retaining their original shine and value. Owing to our ethical business policy, we have become favorites among all our clients. We direct our unrelenting efforts towards client satisfaction and the quality of our products. Further we endeavor to expand our clientele across the globe by collaborating with them.
